THANK YOU to our PAC

This past week, an artist was with us at Wowk and worked with every division to create a variety of art work. Our oldest students blended backgrounds and learned calligraphy, grade 3 and 4s painted in the style of Osgemeos, grade 5 and 6s did self-portraits using charcoal and our Kindergarten, grade 1 and 2 students painted in the style of Murakami. Jess, the instructor, worked with each division and the students created some amazing art work. Thank you to the PAC for their very generous support and organization of this opportunity for our students. It is through the fundraising (via hot

lunches and other endeavours) that they are able to provide this experience for our community. Please see below for some of the amazing work!

Extra-curricular opportunities at Wowk!

This term, with the support of Mr. Gustafson, Mr. Woo and Mr. Angman, our grades 4-7 students will have opportunity to take part in cosom hockey and badminton. The programs will take part in the gym every Thursday and Friday after school. The schedule will be (for now):

Thursdays--3:00pm-4:30pm—Cosom Hockey for grades 4-7

Friday---3:00pm-4:30pm—Badminton for grades 6/7 one week and grades 4/5 the following week.

The information will be posted in the Wowk Weekly.

Want to volunteer at the school? Ms. Li is looking for book shelvers....

The students at Wowk love to read—an excellent hobby to have—BUT, this means that they take out hundreds of books each week, read them, return them and then take out more. This means hundreds of books to shelve each week so all students have an opportunity to read the books. IF you have some time during the day and would like to help out in the library, please contact Ms. Li at mrli@sd38.bc.ca or stop by library between 9:30am and 2:15pm, Monday through Thursday. You can also leave your contact information at the office.
