Every Day Ready...Especially for the Rain

Well, the rainy season is upon us and there are puddles all over the playground. There is a great attraction and something special about walking through puddles for young and older students alike. This is just a reminder that students need raincoats, umbrellas and boots to keep them dry. It would be a good idea, for students of all ages, to send extra socks and pants to school just in case your child gets wet. Mrs. Lunny has called many families this week to bring dry clothes.

MOVEMBER MOVEMBER MOVEMBER MOVEMBER MOVEMBER MOVEMBER MOVEMBER

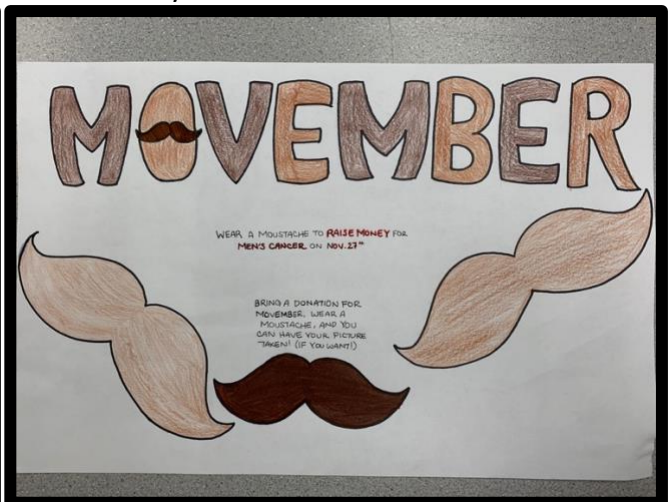

November is the month when many men grow moustaches to raise awareness of men's cancer. Here at Wowk, our Grade 6 and 7 spirit leaders are leading the cause and encouraging all our students to make and wear a moustache on top of their mask or shield, the bigger the better, on Friday, November 27. For each student who wears a moustache, we will take their photo and give them a copy. We will also be collecting donations in support of this cause next week.
