Call 1-888-416-3343 if you have questions
- Nov. 10** Remembrance Day Zoombly
Details to follow
- Nov. 11** Remembrance Day, no school

Hallowe'en at Wowk

We could not have asked for a more perfect day for our Halloween celebration. Staff and students alike were decked out in costumes, pumpkins were decorated and haunted houses were lit up. Even our exterior doors welcomed us all in a ghoulish sort of way, thanks to the creativity and hard work of our Grade 6 and 7 spirit team. This year, because of the pandemic, we changed our tradition. We paraded around the outside of the school, sharing the spirit of Halloween. It was great fun for everyone, especially me, as I got to lead the parade. All morning, photos were taken and after lunch we all watched a short video showcasing all our Hallowe'en finery. The spirit of Hallowe'en was definitely alive and well at Jessie Wowk.

Remembrance Day

Remembrance Day is soon upon us. It is a day when we remember those who have given their lives so that we can have a better world. It is a day that is sometimes hard for children to understand as they have not lived through war. Some of you may have family members who went to war or contributed to the war effort in some way. Children understand events and ideas better when they can relate to them personally. If you have a photo of a relative or friend who was involved in war, that you could share with the school, we will display them during the days leading up to Remembrance Day. Please label all photos with your child's name and division as well as the name of the person in the photo and the war. You could also email photos to the school.

It's hard to believe, but we are already thinking of next September. Please remember that is you have a child who will be entering Kindergarten in Sept. 2021, that you need to register online. Even if you already have children at Wowk, you need to register your child for Kindergarten. Please see the information below.

Richmond School District 38 is excited to welcome kindergarten registration applications for children born in 2016, turning 5 in 2021. These children will begin kindergarten in September, 2021. Online registration opens on November 1, 2020. Please visit our website <http://www.sd38.bc.ca/kindergarten> for information about our online registration process, required documents, important dates and FAQs.
