Gr. 6/7 students started practicing to prepare for a fun volleyball season ahead!

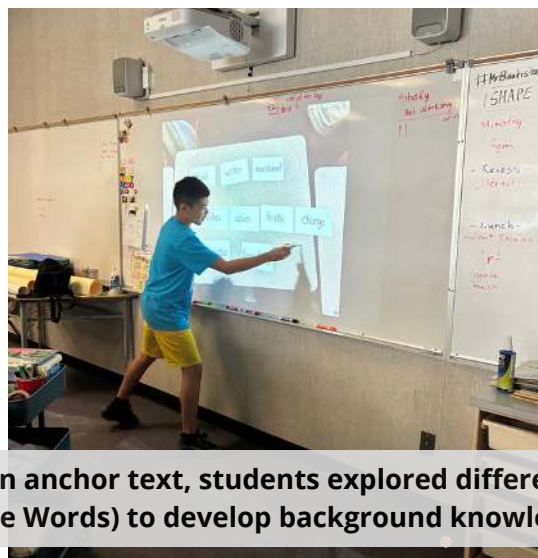

Students created "action posters" inspired by the book "Be A Good Ancestor" to share how they can make caring choices at school.

Meet the Community Event - families were invited to share a wish for the school community and add to our co-created art installation.

Using "Be A Good Ancestor" as an anchor text, students explored different thinking routines (Chalk Talk & What's the Story Behind These Words) to develop background knowledge and comprehension skills.
