**Congratulations to our Gr. 6/7 Volleyball Team for a successful season! There was much growth not only in skills development, but also in teamwork and communication. Big thanks to coaches, Mr. Bautista, Mr. Kirkegaard, and Ms. Huang for their time, dedication, and care!**

**3 classes participated in a "Wildlife in the Classroom" workshop by the Richmond Nature Park. Students learned about local animals (owls, raccoons, coyotes, snakes, etc), our impact on the environment, and how humans and animals cohabit this space in a respectful and safe way.**

**Literacy Centres: Using the alphabet tubs and letter cards, K/1 students are learning letter sounds and beginning reading skills through playful group activities.**
