Stay Home When Sick

Students should not come to school when they are sick. If your child is not feeling well please continue to keep them home until their symptoms have resolved. Staying home when sick helps keep our entire school community, (staff and students) healthy.

Winter Solstice Community Gathering: this month's community gathering was centred around Winter Solstice and the light we each bring inside our hearts. After coming together as a school, students created lanterns and had cozy reading time, reflecting on story and their gifts.

Wintery art work around the school using different materials and mediums.
