Sneak Peek at the song writing sessions with Will Stroet! Students brainstormed ideas, played with words/rhymes, and co-wrote songs that they will share with the school! Join us for the Music Sharing on Thursday, December 18th!

Thank you to the PAC and Gr. 7s for helping make this year's Winter Festival a fun-filled event!

The gift of rain: after a big rain storm, our dig pit gave us rivers and ponds. Using found materials, students designed and built bridges, exploring concepts of balance and structures!
