## Parking Information for Families

If you are driving your child to school and park along Eastman Drive (which is located on the eastern portion of our school grounds), we ask that you please do not park in front of the lowered sidewalk / ramp onto the pathway. Please see the photo for reference. Our students and families, those who have strollers or others in our community with mobility issues need to use the lowered sidewalk / ramp to safely access the pathway. Thank you for your understanding.

## **Recess Snacks**

We have noticed an increase in the number of students who have been coming to the office looking for a recess snack as they have not brought one from home or have forgotten it. We are asking for all families to please double check to make sure that your child has a recess snack and is able to keep their energy going until the lunch break. Thank you!
