A Successful Scholastic Book Fair

Our second book fair of the school year finished on Wednesday and was a resounding success, most of all because it helped to build a greater love and excitement of reading. Thank you to the 11 volunteers who worked as cashiers and organizers; we couldn't have done it without your support! The proceeds from the book fair will be used for purchasing books and other resources for the library. Over 250 books were sold and over 60 books were given for classrooms or as prizes. It was amazing to see, once again, the generosity of the Wowk community. One of the fun contests at the book fair was to guess the number of the leprechaun's lucky charms (coloured marshmallows) in a container. The actual number was 505, and the person who came closest was . . . Mrs. Lunny, who guessed 500! Congratulations goes to Emma C. in Division 1 who took home the prize (a book of her choice) with her guess of 496 lucky charms. Happy reading during Spring Break!

What a Successful Basketball Season!

Our basketball season has come to an end and we want to congratulate all of our grade 6 and 7 students who participated for such a successful and enjoyable season. Each player demonstrated excellent sportsmanship and learned a lot along the way. Both the boys and girls teams participated in the Steveston – London feeder tournament this week and had a great time throughout their three games. I personally would like to acknowledge Mr. Angman for putting in a great deal of time into not only coaching the girls team, but also taking on the organizational and managerial duties for the boys team. This season would not have been possible without his contributions!

Outdoor Education Reminder for Our Grade 6/7 Families

If families are choosing to use the payment options for the cost of Outdoor Education, the second installment using School Cash Online is due on March 15th. The final payment will be due by April 6th. As always, please contact the office if you have any questions.
