

# Care for Place

## BINGO

Something with veins	Something red	Something rough	Something tiny	Something that flies
Something you think is pretty	Something that has many legs	Find a four leaf clover	Something you can cook	Something with a hole in it
Something that makes a noise	Something that makes a shape		Something that makes a letter	Something that shows a pattern
Something symmetrical	Something growing	Something translucent	Something that crawls	Something that smells nice
Something that is smooth	A natural sound you heard	Something you love in nature	Someone not caring for environment	Someone caring for environment
