REMINDER

Set the Books Free!

New Summer reading program for Gr. 4 - 6 students.

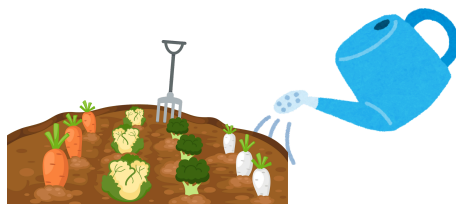

- sign the permission form from Mrs. Buhr and take home up to 15 books to read over the summer!

Summer Garden Care

Our school garden needs your help over the Summer. Tasks include:

- watering (garden beds, newly planted trees, planters, etc.)
- *optional: weeding & tidying of garden beds*
- feel free to harvest any herbs and vegetables that are ready to be harvested

Sign up [HERE](#) - thank you for your support!

Upcoming Dates

June 24	Gr. 7 Farewell
June 26	Last day of school Reports published on MyEd
June 26	Year End Assembly @ 9am - <i>families welcome</i>

Layers & Rain
Jacket

Jessie Wong Tree and shrub inventory

"Trees are woody, perennial plants that have one central stem. Shrubs are woody, perennial plants that have a number of stems usually produced from near the soil line of the plant." - Cornell University

Plant	Tree (T) or Shrub (S)	Leaf shape	Tally
Serviceberry or Saskatoon Berry	Shrub	leafy and green	
Vine Maple	Tree	dark red in fall	
Apple Tree	Tree	apple	
Plum Tree	Tree	plum	
Pear Tree	Tree	looks like a hand	
Garry Oak	Tree	cool shape	
Cedar Tree	Tree	1/2 way over years	
Kousa Dogwood	Tree	leafy	
Oregon Ash	Tree	red, yellow and green	
Paper Birch	Tree	toothed leaf	

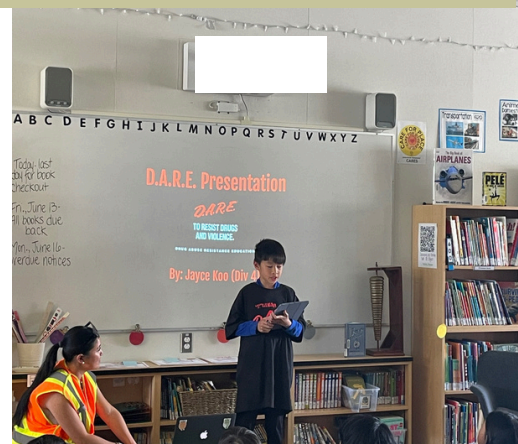

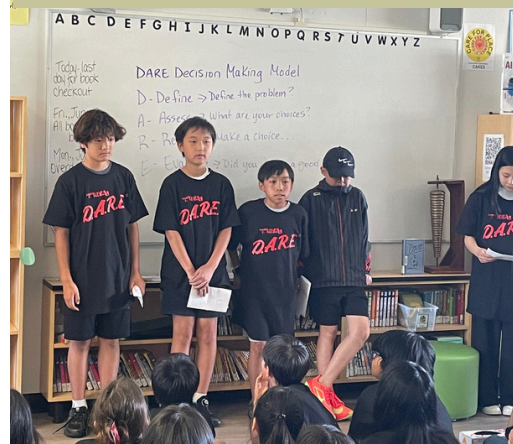

Outdoor learning: Gr. 2&3 students looking closely at our school trees, interweaving plant vocabulary, Indigenous people's uses, observational art, and math tallies to take an inventory. They also harvested salmonberries.

Div 1 & 2 band concert: student conductors leading the band through different songs.

Congratulations to the D.A.R.E grads! Over the 10 weeks, students learned about a decision making model: Define the problem, Assess the choices, Respond based on facts, Evaluate actions.

Significant Dates in Our Community

June 15 - Father's Day

June 16 - Guru Arjan Martyrdom
