OUR SCHOOL LEARNING STORY

**Stay tuned for updates on
our school learning story,
with a focus on connections
& literacy.**

Dress for the Spring Weather

With upcoming rainy days, please remember to send extra clothes and rain gear. We will be outside for recess rain or shine!

Extra clothes

Hat

Sunscreen

Layers & Rain
Jacket

CAPTURED MOMENTS

Each week, we try to highlight the rich learning experiences that happen through these captured moments. Students are encouraged to share their thinking and learning as we grow and learn together in community.

Getting back into outdoor learning routines - students took time to observe and document changes in and around the garden.

Learning about warm/cool colours and exploring the technique of blending using watercolours. Some colours remind us of the sunset, while others help us think about the ocean.

Connecting with new classmates with some active movement games in the gym.

SIGNIFICANT DATES IN OUR COMMUNITY

September 11 - 17: Menonite Heritage Week
