CAPTURED MOMENTS

Walking Wednesday - weekly school wide nature walk. The focus is to connect - to each other, to nature, and to learning. What did we notice and wonder? A highlight was a giant worm that students rescued and moved back to the grass. Some classes also used "walk & talk" as a discussion strategy for topics they're learning in class.

Remembrance Day Assembly: All students contributed to the assembly by sharing a song, poem, and artwork. Thank you to student leaders for guiding us through this important event, honouring those who sacrificed so much for our country and freedom.
