Stay Home When Sick

Students should not come to school when they are sick. If your child is not feeling well please continue to keep them home until their symptoms have resolved. Staying home when sick helps keep our entire school community, (staff and students) healthy.

Dress for the Weather

With upcoming rainy days, please remember to send extra clothes and rain gear. We will be outside for recess rain or shine!

Extra clothes

Touque

Gloves/Mittens

Rain boots

Layers & Rain
Jacket

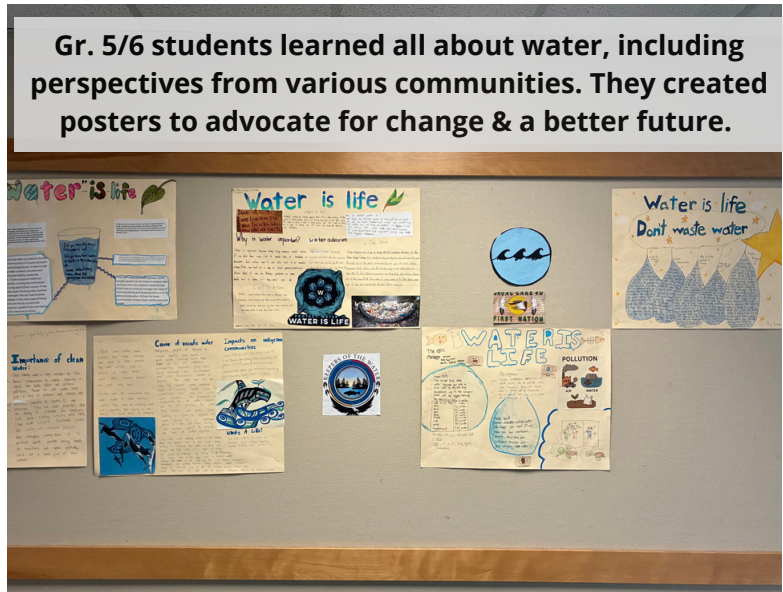

Students in 6 classes helped to harvest, prepare, bake, and distribute kale chips from kale from our school garden. Some students documented and wrote out the recipe to share. This was truly a team effort!

Gr. 5/6 students learned all about water, including perspectives from various communities. They created posters to advocate for change & a better future.

Gr. 3/4 students have been learning about teamwork at the Weekly Hockey Club.

Learning from nature: investigating river systems through play and exploring patterns in nature.
