## **REMINDER**

### **School Learning Story**

(Check out how classes are working towards our learning goal in the updated **action posts [HERE](#)**)

“How might we increase student engagement in learning & deepen thinking through connected literacy experiences?

### **Bring Your Own Utensils**

Please send reusable utensils to school **everyday**, including hot lunch days.

Thank you for helping the environment.

**Staying home when sick** helps keep our entire school community, (staff and students) healthy. Thank you for keeping your child home when they feel unwell.

### **Parking & Drive-Through Lane**

- to minimize congestion, please use the drive through lane for drop offs - we ask drivers to stay in the car when using the drive-thru lane
- thank you for helping to keep our parking lot safe

### **Dress for the Weather**

With upcoming rainy days, please remember to send extra clothes and rain gear. We will be outside for recess rain or shine!

#### *Extra clothes*

Touque

Gloves/Mittens

Rain boots

*Layers & Rain Jacket*

### **Upcoming Dates**

Jan 22 - 23

Student Leadership Hot Chocolate Fundraiser - BC Children's Hospital

Jan 26

# CAPTURED MOMENTS

Div 2 students explored coding and robotics through Lego. They first built an animal, then used the coding program, creating codes to help their animals move.

Div 8 & 9 students have been learning all about owls, which included a visit from the OWL organization. Students learned about different birds of prey, their interactions with the environment, and had a chance to see some birds up close.
