CAPTURED MOMENTS

School-wide field trip to Terra Nova Park: students engaged with learning through nature walks, sit spot observations, and nature journaling...and of course, time for play!

Gr. 5 - 7 Band Performance: Thank you Ms. Elliott and band students for an afternoon of music, joy, and community! We even had a student conductor for one of the songs!

Heritage Fair 2026

As shared in a previous Week at a Glance, students in Div 2 & 3 participated in the district Heritage Fair. We are proud of all of their hard work and learning. One of the students, Jayce, has been chosen to participate in the national showcase!

Heritage Fair National Showcase - Vote for Jayce!

We are thrilled to share some exciting news from the Richmond Heritage Fair held on May 8! Jayce from Division 2 has been selected to represent Richmond in Canada's History National Showcase. He has worked hard to prepare his project on "YVR: Canada's Welcoming Front Door" to represent our school and community, and now he needs your support! **Cast your vote by July 1** to help him shine on the national stage! Every vote counts!

VOTE NOW!

Cast your vote by choosing "Jayce K." for Question #1

Fraser Riverkeepers Expedition

Last week, we welcomed Justin Smith and Finn Donnelly from the Fraser Riverkeepers organization to teach us about why it is important to keep our rivers and waterways clean. We learned about the importance of the Fraser River to Indigenous communities and other local communities, including Richmond. Students shared animals that call the Fraser River home. This year, the team will take on a new challenge to raise awareness - relay swim down the entire Fraser River, while Justin walks 1000km along the Fraser River to collect stories from Indigenous communities.
